MEMORANDUM FOR: Executive Director

FROM:

Director of Security

SUBJECT: Industrial Security Seminar
20 - 21 May 1982

1. The Office of Security is hosting an Industrial Security Seminar at Headquarters on 20 and 21 May 1982. The attendees will be corporate security officers representing firms with significant contractual relationships to the Agency. On this occasion there will be approximately 32 attendees from 20 firms that have contracts sponsored by the Office of Logistics.

2. As before, the agenda will include general sessions and workshops. The general sessions will be held in Room 1A-07 Headquarters on both days and you are invited to speak to the group at the opening session on Thursday, 20 May. Thirty minutes have been reserved for this purpose beginning at 0915 hours. Your presentation at the Industrial Security Seminar in January was extremely well received and we believe that a repeat of the technology loss theme would be most appropriate and appreciated.

3. The Industrial Security Seminar agenda includes a social gathering in the Executive Dining Room from 1730 to 1930 hours on Thursday, 20 May. You are cordially invited to attend as a guest of the undersigned.
